The products listed in Table 1 (starting on page 2) of this document are in compliance with the European Union Directive 2011/65/EU Restrictions on Hazardous Substances (RoHS). Radisys certifies that it gathered the information published in this DoC concerning RoHS restrictive substances using appropriate methods to ensure its accuracy and that such information is true and correct to the best of its knowledge. Radisys acknowledges that Customers will rely on this DoC in determining the compliance of their products with European Union state laws that implement the RoHS Directive. Customer acknowledges that Radisys has relied on information provided by Suppliers in completing this DoC, and that Radisys may not have independently verified such information. However, Radisys agrees that, at a minimum, its Suppliers have provided written assurance of RoHS compliance. If the Customer and Radisys enter into a written agreement with respect to the identified product, the terms and conditions of that agreement, including any warranty rights and/or remedies provided as part of that agreement, will be the sole and exclusive source of Radisys liability and the Customer's remedies for issues that arise regarding information Radisys provides in this DoC.
